

WHAT IS THE SIZE OF THE BOARD AND PLAYER MAGNETS?

The board is 60" x 38". The Player Magnets are 3 7/8" x 1 7/8".

HOW MUCH DOES THE BOARD WEIGH?

The board weighs approximately 4 lbs, and rolls up like a poster for easy storage.

IS THE BOARD MAGNETIC?

The board is not magnetic, it is magnetic receptive, so all magnets will stick to it.

IS THE BOARD A DRY ERASE BOARD?

No, dry erase pens should not be used on this material, only washable markers, like the one provided, should be used on this material.

HOW DO I CLEAN MY BOARD?

The washable marker can be wiped off using a damp cloth.

HOW DO I PROPERLY MOUNT MY BOARD ON THE WALL?

This is dependent on the surface you are trying to put the board on. Detailed instructions on how to properly affix the board to the wall are provided with your kit. Nonabrasive, removable adhesives are provided, which work on many surfaces, but require you to first de-curl your board by laying it flat prior to sticking to wall. Otherwise any off-the-shelf item you would use to mount any other 4-5 lbs item to your surface will work.

WHAT PLAYERS ARE INCLUDED WITH MY KIT?

A full list of player names is available in the download area.

HOW DO I DESIGN MY PERSONAL TEAM SHIELD/TROPHY?

You can click on the personalize button on the main page to play with the design tool. Once you have purchased a shield/trophy, you will be sent a link to finalize and save your design.

CAN I PERSONALIZE THE BOARD?

Board personalization is currently not available.....coming soon!
